So, are you ready to join the Slim U Canada family and be part of something truly special? Say hello to an exciting opportunity to invest in your future and make your dreams come true! Let's get started on your fabulous journey to success today.

## Love Yourself Enough To Choose In A More Fabulous Future

- Slim U has a history of growth and a tremendous following within the community with return customers and rave reviews as industry leaders.
- We're offering an extremely impressive potential ROI with low overhead, a low startup cost, and applicability in most markets.
- Slim U uses patented proprietary technology exclusively offered in Ontario that is non-invasive with no side effects.
- The Slim U model is operationally simple and is designed to remove any complexities and shorten the ramp-up time for earning revenue.
- We provide an unparalleled scope of wellness and treatment services, meaning customer bases across Canada are demanding the Slim U model.
- With the streamlined and proven Slim U playbook, franchisees can plug in anywhere with the training needed to certify all clinicians and technicians.

## We Believe in Your Potential

We want to partner with potential franchise candidates who possess the following qualities:

- Strong sales and customer service abilities.
- The drive and determination to grow the business.
- Passion for our brand and the industry.
- The skills to excel in team leading and organization.

## The Beauty Of Being InBusiness Together

- The Slim U team oversees new location acquisition and negotiates leases and business terms for all franchise real estate matters.
- Slim U provides ongoing training and support in new business development and lead generation through product development and industry expertise.
- Slim U coordinates the development of advertising materials and consumer marketing plans for franchisees to use at every level.
- Slim U leadership will continue to research methods that enhance franchise profitability and continually adapt our model to the marketplace.
